

WORLD'S BEST CAT LITTER™

ORIGINAL SERIES

LONG-LASTING LITTERS WITH OUTSTANDING OVERALL PERFORMANCE

World's Best Cat Litter™ Original Series offers outstanding odor control because it is the only litter that harnesses the concentrated power of naturally absorbent whole-kernel corn. Unlike clay litter, only World's Best Cat Litter™ uses a patented process to compress naturally absorbent corn into concentrated granules that trap odor deep inside and form tight clumps on contact, so you can do more with less litter.
