The world's
best fans!

Leah Enking

Minerva's first Christmas tree! She was adopted from Pawffee Shop Cat Cafe after her original owners surrendered her. She's about 3.5 years old and has been such a joy in our home, we can't imagine life without her.

Angie Lowe

Chester under the Christmas tree. By far the best gift I ever gave myself 😊

Celebrate **National Cat Lovers' Month** by giving that crazy cat person in your life a gift that keeps them feline great well into 2023.
